

COMPANY PROFILE
IRAQ / 2026

LARAK / FOOD INDUSTRIES

Iraqi roots. Broader horizons.

Food products. Brands. Industrial investment.

An Aamal Group company

MADE IN IRAQ

LARAK TODAY / BUILT IN IRAQ

Everyday food. A wider ambition.

Larak is an Iraqi food industries, packing, packaging and general services company. It owns an officially registered and approved factory in Baghdad's Awerij Industrial Area. Its activities include food products, contract packing and private label services, alongside the management of Iraqi restaurant brands including Mawi, Cloud and others. Larak products are available in most major retail centres across Iraq. New production lines and food-sector investments are expanding its industrial activity, with a complete industrial complex under construction in Wasit Governorate.

OUR IDENTITY

**Iraqi in origin.
Forward in outlook.**

EXISTING PRODUCTION BASE

Baghdad / Awerij

An owned, officially registered and approved factory in Iraq.

FOOD PORTFOLIO / THE CHOICE STARTS HERE

From everyday tables, to retail shelves.

A food portfolio bringing together Iraqi pantry essentials and everyday consumer choices.

From Larak's food packaging range.

01

Anber rice

A familiar place at the Iraqi table.

02

Legumes

Variety for everyday cooking.

03

Pasta

Shapes for kitchens and menus.

04

Sunflower seeds

A variety of flavours for snacking.

05

Chickpeas

An ingredient in local favourites.

06

Iraqi dates

A product rooted in Iraqi taste and identity.

FOR HOUSEHOLDS, RETAIL & BUSINESS

Supply of Larak products or a packing scope under the customer's brand, according to the brief.

LARAK PRODUCTS / ANBER RICE

A taste at home in Iraq.

Anber rice is part of Larak's range, with a familiar flavour and a special place in Iraqi cooking.

"You know it from the first cook."

01 For consumers

For everyday meals and family tables.

02 For trade

Products and packs according to the range and order.

Larak pack / Anber rice

LARAK PRODUCTS / PANTRY ESSENTIALS

More choice. Everyday relevance.

01

Legumes & chickpeas

Beans, lentils, fava beans, peas and chickpeas for Iraqi home recipes and kitchen preparation.

02

Pasta

A range of shapes, including macaroni, penne and vermicelli, for home meals and restaurant dishes.

LARAK PRODUCTS / SUNFLOWER SEEDS

Flavour for the moment. Choice for every taste.

Larak sunflower seeds in a variety of flavours, with packs for individual consumption and retail distribution.

01 Cheese

02 Chicken

03 Lemon

04 Salt

A RANGE MADE FOR DISPLAY

Flavour variety gives retailers several choices within one product category.

LARAK PRODUCTS / IRAQI DATES

An Iraqi fruit. A Larak presentation.

Dates are part of Larak's food portfolio, pairing a local product with a clear buying experience and branded packaging.

Larak pack

Larak pack

Larak pack

Larak pack

Larak product packs from company materials.

01 Date range

A selection of Iraqi dates within the food portfolio.

02 Presentation & distribution

Packs for retail presentation and trade orders according to variety and quantity.

FOR BUSINESS / CONTRACT PACKING

Your product deserves the right pack.

Larak offers packing and packaging capabilities for businesses, aligning food presentation with the product, brand and sales channel.

Illustrative packaging study; not approved retail product packs.

01

Product brief

The food type, storage and handling needs.

02

Pack selection

Size, format and material for the intended use.

03

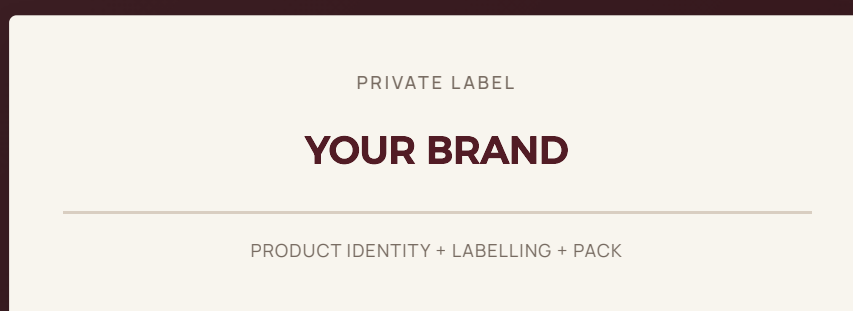

Trade preparation

Clear identity and labelling, prepared as agreed.

FOR BUSINESS / PRIVATE LABEL

Your brand up front. Larak behind the product.

White label services for food production and packing under the customer's brand, with agreed specifications and scope.

A visual model of a product label

01 For brand owners

A product with your identity and a clear route to product and pack approval.

02 For retailers & distributors

Develop a private-label range around the audience and sales channel.

03 For restaurants & businesses

Food supply and packs aligned with the agreed business needs.

Available products, minimum quantities, samples, cost and lead times are defined in each offer.

HOW WE WORK / PRODUCT QUALITY

Quality begins before the pack.

Larak connects material selection, preparation and packing with quality review, from the start of the product to its market presentation.

01

Material selection

Reviewing materials and variety before preparation to suit the product brief.

02

Sorting & preparation

Sorting, cleaning and preparation, with monitoring across the workflow.

03

Packing & packaging

Selecting and filling packs with care for the product and its presentation.

04

Review & approval

Reviewing quality and pack information before preparing an order.

A CLEAR PRODUCT IDENTITY

Variety, specification, pack information and storage conditions are reviewed for each product.

PRESENCE IN IRAQ / RETAIL & DISTRIBUTION

Close to consumers. Present in the market.

Larak products are available in most major retail centres across Iraq, serving consumers and retail outlets.

MARKET PRESENCE

IRAQ

From local product to point of sale.

01 For retail centres

An Iraqi food range and options to stock shelves with available products.

02 For distributors

Trade orders, quantities and preparation according to territory and distribution channel.

03 For consumers

Contact Larak for nearby retail locations and available products.

RESTAURANT BRANDS / A COMPLETE EXPERIENCE

From food industries, to dining experiences.

Larak manages Iraqi restaurant brands, including Mawi, Cloud and others in Iraq, bringing together food, brand identity and the customer experience.

A dish from Cloud menu materials.

AMONG THE BRANDS LARAK MANAGES

MAWI

IRAQI RESTAURANT BRAND

CLOUD

FOOD. IDENTITY. HOSPITALITY.

INDUSTRIAL INVESTMENT / BAGHDAD & WASIT

An existing base. Expansion ahead.

Larak is expanding through new production lines and food-sector industrial investments, including a complete industrial complex in Wasit Governorate.

01

EXISTING FACTORY

Baghdad

Awerij / Industrial Area

An owned factory, officially registered and approved in Iraq, forming Larak's existing industrial base.

02

UNDER CONSTRUCTION

Wasit

Complete industrial complex

A project under construction to support Larak's industrial expansion in the food sector.

INVESTMENT DIRECTION

Developing production and packing, and expanding partnership opportunities in food industries.

PARTNERSHIP / PRODUCTS, PACKING & INVESTMENT

Start with a clear brief. Build a partnership.

For retailers, distributors, brand owners and industrial partners, the first step is to define the need and what we can deliver together.

01 Start with the brief

Product, intended use, quantity and sales channel.

02 Define the specification

Variety, pack, branding, storage and handling needs.

03 Approve the scope

Review of samples, offer, terms and lead times.

04 Move into delivery

Production or packing, preparation and delivery under the approved agreement.
